Archishman Choudhury

PROFESSIONAL SUMMARY

Marketing professional with **3+ years experience** across various industry verticals like FMCG (**NESTLE**), Consultancy (**IPAC**) and Experiential Education (**INME**). Built on a foundation in marketing from **MICA**, I have been successful in **shaping strategy** and **driving execution** using **marketing analytics, consumer insight, storytelling and AI** to build growth strategies that create measurable business impact. I enjoy translating **data into decisions**, ideas into narratives, and **marketing into business outcomes**.

PROFESSIONAL EXPERIENCE

Marketing Manager

May 2025 – Present

- Built and led the company's entire marketing engine—from strategy and architecture to creative direction, channel execution, analytics, and optimization—managing a **₹1.5 Cr annual budget** that delivered **2.8x ROAS** while reducing **CAC by 80%**.
- Redefined customer segmentation and targeting after in-depth primary research and customer insights, and built a marketing measurement ecosystem using GA4, GTM, Search Console, Microsoft Clarity and CRM improving **Marketing Qualified Lead (MQL) quality from 10% to 48%**.
- Strategized and executed a referral and loyalty programme after analyzing customer behavior and interviewing 150+ parents, increasing **repeat enrolments by 28.6%**, referral contribution by **34.5%** and generating **₹5 Cr** in incremental revenue.
- Owned the **Product Marketing and digital product strategy** for **INME's website and mobile application**, defining UX, customer journeys, wireframes, feature roadmap, analytics instrumentation, SEO architecture, gamification, marketing automation, and conversion optimization in partnership with technology teams.
- Built **in-house marketing**, analytics and creative capabilities, **reducing agency dependence and annual operating costs by ₹48L**.
